THERE IS A NEW LIGHT – UNILIGHT

Dear Unilight Friend,

We are proud to present you our Basic Catalogue 2011 with our latest lighter collection including our new brands "Major" and "X-lite".

Our designers have given their optimum to give you an even better overview of our products.

We ask your attention especially for our new M5 Major series, the best and most reliable lighter in our range of Safety Flame lighters.

Our high stock levels in 2011 will allow better services together with a new, but very experienced storage and distribution partner based in Rotterdam.

Not only services and lead-times will be optimised, but also the new IT technologies will allow you to get a much better transparency and knowledge about the status of your order.

Our new lighter models will give you an even better opportunity to offer your clients tailor made offers and good service potential. Our new Juicy Colours will make our U-59 also attractive to new trendy design wishes.

With the new U-201 we offer you a reliable turbo lighter for a great price. Our new Major label offer gives you label opportunities as from 10.000 pieces within a lead time of 60 days after approval.

Our Major "Armoured Lighters" with their solid aluminium case give you the perfect alternative to a metal lighter, at a very competitive level.

We wish you lots of success with our new Basic catalogue.
